## A MESSAGE FROM THE PRESIDENT

Dear Member,

After our long summer heat, ICL offers you "cool" Fall classes that will enliven your spirit and stretch your minds. We are fortunate to offer such interesting and stimulating classes facilitated by experienced practitioners.

Please come to our August 29th Registration, 9 a.m. to 1 p.m., in the Gardner Center Ballroom on campus. Some classes have limited numbers, so earlier is better. There isn't a better buy in town or anywhere that I know of that offers unlimited classes for both fall and spring semesters for \$45. This truly is a bargain beyond!

Thanks to Maureen Parks, Director, and Carolyn Barnett, Office Manager, for keeping us up and running through much of the summer and getting these classes organized for your enjoyment.

Your Council is hard at work to make the organization responsive to the membership. New programs, a new speaker series, and even an excursion are now being planned. BRING A FRIEND TO ICL! Share the opportunities that this organization offers with your neighbors and friends.

We invite you to participate as a committee member, an instructor, or an office volunteer. Feel free to come by and visit us at our office at 658 E. 200 S., St. George.

—Karel Dutton

## REGISTRATION INFORMATION

The 2017-2018 ICL year is here! If you were a member last academic year or made a request through the office, you have received a packet in the mail with your registration materials. To begin your year, here is what you need to know and do:

- Attend the **General Membership and Registration Meeting** in the **Gardner Center Ballroom on the DSU Campus, August 29, 9:00 a.m.—1:00 p.m.** This is where you will pay your registration fee of \$45, get your identification badge, and sign up for **Fall Semester classes**. Please have your Membership Registration Form completed before your arrival as it will speed up the registration process for you. Also, because ICL has only one credit card machine, the line to pay with a credit card may be very long. It is, therefore, **recommended that you pay with cash or check** to save yourself some time.
- Consider contributing to the **scholarship endowment fund** for the benefit of non-traditional students attending the University. (Please make checks payable to DSU.)
- There will be **no pre-registration**. If you are not able to attend the August 29 registration meeting, you can visit the office at 658 E. 200 S., beginning August 30 to register.
- You may purchase your DSU **parking permit** at the Cashier's Office, Holland Building, 1st Floor (see article on p. 7 for more parking permit information). The Cashier's Office is open Monday—Friday, 8:15 a.m.—5:00 p.m.
- If you attend a computer class, DSU requires a \$10 **computer lab fee** each semester. A computer username and password will be issued to you. Make payment at the Help Desk (Holland Building, 2nd Floor) before your first computer class.

Norma Rae Hemsley, Scholarship Chairman, will be at a table between the two payment/name badge tables to make it easy for you to contribute. Thank you for your generosity!

**Think of it as \$45 + \$5!**

## SEPTEMBER FIELD TRIPS

Botany and Hiking members meet in the parking lot at the west side of the North Plaza Building, 55 S. 900 E. If you are on the way or prefer not to go to the parking lot, please let the instructor know and he will try to determine a good location to meet. Everyone must sign the attendance roll. All visitors going on the trip must sign the Release of Liability and Assumption of Risk Form, which will be provided by the class instructor. (This form may also be signed at the ICL Office prior to the trip.) The completed form will be kept on file at the ICL Office. A visitor may attend only one field trip per semester. If anyone plans to attend more than one field trip, he/she will please register as a member of ICL. We will attempt to provide the best information possible for the monthly field trips in "The Learning Link" and on the website ([icl.dixie.edu](http://icl.dixie.edu)). However, weather, road conditions, and other factors make the final decision as to where each field trip will be located.

### **BOTANY**

**25TH: BROWSE, WHIPPLE TRAIL, OR SOME OTHER HIGH ALTITUDE LOCALE.**

**TIME: 9:00 A.M.—3:00 P.M.**

Wear appropriate clothing. Bring high clearance vehicle, binoculars, camera, lunch, and water. Car pooling is generally available. The field trips will be limited to approximately 30 participants with preference given to ICL members. ICL membership identification badges are mandatory and must be worn on field trips. Contact: Lee Hughes, 435-229-7253

### **HIKING**

**22ND: ALPINE POND NATURE TRAIL , CEDAR BREAKS NATIONAL MONUMENT**

**TIME: 9:00 A.M.**

This hike is farther afield than future destinations and is an attempt to beat the heat that follows St. George into September. We will caravan to Cedar Breaks National Monument to hike the Alpine Pines Nature Trail. This is an easy 2-mile loop trail, although the altitude is 9000'. The trail contains views of Cedar Breaks, Bristlecone Pines, and the last of the fall wild flowers. Note that this trail can be muddy in spots so wear sturdy shoes with a good tread. For those that wish to, we will end the hike with a potluck picnic lunch either at the Cedar Breaks picnic grounds or in Cedar City. If weather is poor, we will substitute a hike on the Kolob Terrace. Our goal for hiking is to introduce you to locations in Southwest Utah you may not have explored, to provide an enjoyable social experience, and to offer healthy exercise. Hiking is open to all ages and hikers should be moderately fit. Although we try to maintain a group of no more than 30, we will not turn down anyone on hike day. Should groups become overly large, we will advise, in advance, of any changes in policy.

Suggested gear: daypack, filled water bottles, lunch and/or snacks for mid-point of hike, hiking boots that provide ankle support, hiking poles, sunscreen, sunglasses, and a wide-brimmed hat. No pets allowed on hikes.

## PARKING PERMIT INFORMATION

- All motor vehicles entering campus boundaries or remaining upon state owned property must be properly licensed.
- Parking permits will be **hang tags** and cost **\$50** each for the academic year (July 1–June 30). There is an Economy permit available costing \$20 and certain lots have been designated for this permit (please see map). All permits work in these lots, but if an Economy hang tag is on the vehicle, it must be parked in an Economy lot.
- **Two license plate numbers registered to the same owner may be linked to one permit, and one hang tag will be provided to alternate between the two vehicles.** This allows only one vehicle to be parked on campus at any given time, and the same vehicle may not be assigned to more than one permit at a time.
- Failure to display the permit properly or unauthorized sharing of the permit will result in citing the vehicle. Such a case will be no defense upon appeal. There are two violations that appear on a citation related to this issue: *No Parking Permit* and *Failure to Display Permit Properly*.
- Hang tag from the rear view mirror with the permit number facing out toward the front windshield.
- A parking permit is not required for a motorcycle provided the motorcycle is parked in a designated Motorcycle stall.
- A handicap placard or plate is considered as a DSU permit if the vehicle is parked in a Handicap stall.
- Campus parking lots are patrolled and rules enforced year-round from 7:00 a.m.—5:00 p.m. Monday – Friday. Weekends and University holidays are excluded. Fire lanes, handicap stalls, drive lanes, sidewalks and sidewalk access ramps, and other restricted areas are enforced 24 hours a day, 7 days a week. Overnight parking is not allowed.
- A replacement hang tag will cost \$15. The previous hang tag must be surrendered in the case of a new vehicle replacement, damaged tag, etc.
- **Parking permits can be purchased at the DSU Cashier's Office**, Holland Building, 1st Floor, or online at <https://parking.dixie.edu>, Parking Permits/Purchase a Permit (a fee of \$2.75 will be charged). If you wish to have the parking permit mailed to you, there is an additional fee, and you must indicate such on the website.
